Product Warranty Statement

National Commercial Lighting & Technology Group (NCLTG) proudly stands behind the quality and performance of our LED lighting solutions.

All **LED lighting fixtures** and **LED lamps** supplied by NCLTG are warrantied to be free from defects in materials and workmanship for a period of **five (5) years** from the date of purchase.

During the warranty period, NCLTG will, at its discretion, repair or replace any product found to be defective under normal use and proper installation. This warranty covers only the product itself and does not extend to labor, installation costs, or consequential damages.

This warranty is void if the product is subject to misuse, neglect, improper installation, unauthorized repair, alteration, or if used in applications for which it was not intended.

To make a warranty claim, please contact NCLTG with proof of purchase and details of the issue. Our team will review your request and provide further instructions to ensure your claim is handled promptly.

NCLTG is committed to delivering reliable, energy-efficient lighting solutions backed by quality assurance and trusted customer support.
